

Table 3. Plant species occurring at the Corkscrew Swamp demonstration site.

<u>Scientific Name</u>	<u>Common Name</u>
8 Unknown Graminoids	--
9 Unknown Forbs	--
<i>Blechnum serrulatum</i>	Swamp fern; toothed midsorous fern
<i>Drosera capillaris</i>	Pink sundew
<i>Eleocharis</i> sp.	Spikerush
<i>Elephantopus elatus</i>	Florida elephant's foot
<i>Hypericum fasciculatum</i>	Marsh St. John's Wort
<i>Hypericum tetrapetalum</i>	St. John's Wort
<i>Hypoxis juncea</i>	Yellow-star grass
<i>Ilex</i> sp.	Holly
<i>Lachnanthes caroliniana</i>	Bloodroot
<i>Melaleuca quinquenervia</i> *	Australian paperbark tree
<i>Myrica cerifera</i>	Wax myrtle
<i>Myrsine floridana</i>	Myrsine
<i>Nephrolepis cordifolia</i> *	Narrow swordfern
<i>Nymphaea odorata</i>	White waterlilly
<i>Pinus elliotii</i>	Slash pine
<i>Pluchea rosea</i>	Perennial marsh fleabane
<i>Rhexia cubensis</i>	Pale meadow beauty
<i>Salvinia minima</i> *	Water spangles
<i>Schinus terebinthifolius</i> *	Brazilian peppertree
<i>Serenoa repens</i>	Saw palmetto
<i>Smilax</i> sp.	Greenbriar
<i>Urena lobata</i> *	Caesar weed
<i>Urtricularia subulata</i>	Bladderwort
<i>Vitis rotundifolia</i>	Muscadine
<i>Wedelia trilobata</i> *	Creeping oxeye
<i>Woodwardia virginica</i>	Virginia chainfern
<i>Xyris</i> sp.	Yellow-eyed grass
